From Brooksville Centennial Celebration 1839-1939 Bracken County Schools

Continued

For a long period in the educational history of this county the school census remained static. Records of 1856 show there were 3250 children of school age. We find that in 1907 there were still 3250 in the school census. If we compare this census with that of the present year we shall find a decline of more than 1000 children.

However well the county school system has provided for the education of the children, there has been localities in which the people have demanded a better education for their children than could be offered by the county system at that time.

As result of these demands for the Brooksville Independent District, the Augusta Independent District, the Germantown Independent District, and the Fairview Independent Districts were created by vote of the people.

The legislature of the state responded to the wishes of people for a better educa-

tion and permitted the levying of a higher tax in those communities that have expressed their willingness,, by creating independent districts, to spend more money for a better education for their children.

This commendable step on the part of these communities did three things. It gave those communities better schools,

cost them more money, and weakened the school districts that remained in the county system.

For many years after the initiation of the public school system in the county, the school buildings were the center of social activities of the community. The old singing teacher, the writing teacher, the magicians, the spelling bees and many other activities have made these old school houses and the days that we knew them, dear to the memory of us all.

But something happened and the singing teacher and the others are no more. Their passing took much from the influence of the small country school as the point of interest of the people.

RE-ELECT NIEMEIER SHERIFF 2014

My fellow citizens, it is that time again, the Primary Election is quickly approaching us on May 20, 2014. This will be a very important election as you will be deciding who will be representing the County as your Sheriff and County Attorney over the next four years. Both of these are key positions in the County and should not be taken lightly. I would like to thank all those that supported and voted for me in the Last Election. I am asking for your continued support and vote in the upcoming Primary Election. It is important that citizens get out and vote in this election.

I am running for re-election as Sheriff of Bracken County because I love working in law enforcement and I know with my 32 years of experience, training and education that I can handle the job. Since I became Sheriff in 2011 there have been numerous changes in the operation of the Sheriff's Office. The Office added a Detective position and has become more proactive in solving crimes, initiated numerous crime prevention programs, enhanced professionalism in the agency, improved equipment for deputies and Bracken County Dispatch Center, and the agency has taken a strong stance against the drug problem in our Community.

One of the main questions that I am asked when campaigning is what are we doing to address the drug problem in the County. We have initiated several programs to address this problem in the County to include: DEA Drug Take Back Program; Drug Drop Box at the Sheriff's Office; Drug Tip Hotline; Shout Out Boxes in Schools; First Drug Raid by Sheriff's Office in over 30 years (23 arrested for trafficking) with more to come; Town Hall Meetings; Press/Informational Releases; and implemented the SALUTE (Students And Law Enforcement United Through Education) in the Bracken County and Augusta School Systems.

The agency continues to aggressively investigate and enforce the drug laws in the County. It is important for the citizens to remember that these investigations are time consuming and can take eighteen months to two years to complete.

The agency has initiated Vacation Checks, Business Checks, proactive patrols, Citizen Complaint program, enhanced reporting and investigation, all of these programs are new to the County. We have worked with the citizens, schools, churches, businesses, and organizations to address issues with crime in our community. Law enforcement is about improving the quality of life of our citizens, not just making arrests as that is only one aspect of the job and we are not going to arrest our way out of this drug problem that we fight on a daily basis.

In the past three plus years a lot of work has been completed to make Bracken County a safer place for our kids, grandkids, family and friends to Live, Work, and Play. I have been out and about getting signs out in the County and talking to citizens. I will make every attempt to make contact with as many of you as possible during this campaign and to ask you for your support and vote in the Primary Election. If I am unable to make contact with you I am taking this opportunity to ask you for your vote and support in the Election.

My promise to the citizens of Bracken County is simple; I will continue to be a hard worker who will give 110% to the job of Sheriff, not just in the office but also working the County. I do not believe my opponent can match my experience, education and law enforcement training. I have the skills, knowledge and the ability to do the job and with these assets I will continue to make the Sheriff's Office an efficient, effective and accountable law enforcement agency to the Citizens of Bracken County. My door will always be open to anyone who would like to talk to me. I will continue to build on developing strong communications between the Sheriff and the citizens of Bracken County.

With this said, please help Sheriff Howard W. Niemeier CONTINUE to make this a SAFER county for our kids, grandkids, family and friends. A vote for Sheriff Howard W. Niemeier is a vote of SUPPORT TO CONTINUE THE FIGHT TO MAKE BRACKEN COUNTY A SAFER PLACE TO LIVE, WORK AND PLAY. Your vote and support will be appreciated on May 20, 2014.

Thoughts and Meditations from the Scriptures

ARE YOU ALL IN?

The expression "all in" refers to wagering one's entire stake in poker, and thus has the connotation of being entirely committed to one's hand, or by extension, to whatever one is doing. One could commit oneself entirely to a business proposition by investing all of one's savings, for instance. Committing yourself to God is a lot like declaring that you are "all in." That is, we can't play half of our stake or only invest half of our resources in the kingdom of heaven. We must be completely committed to the spiritual life, wholeheartedly and single-mindedly giving our lives over to God. Anything else and you just aren't all in. - *Christopher Simon*

With my whole heart I seek you; let me not wander from your commandments! Psalm 119:10

Easter, Apr. 20: Appreciation to all that attended Sunrise Service. Special music: Homer Burton and Darrin Young. Appreciation to the men that prepared a delicious breakfast. Worship service: Our choir did a play and Cantata called "The Day He Wore My Crown", under the direction of Darrin Young. Special piano music by Jo Ann Brown and Jane Nelson. A peppy version of "Here Comes Peter Cottontail". Peter was portrayed by Eric Clos - the cutest little bunny you have ever seen!

On this sunny Sun., Apr. 27 we had 55 to SS and 82 to worship service. Special music was by Homer Burton. He played guitar and sang "I Count On Jesus". Jane Nelson played "I Love To Tell The Story" and "I Have Decided".

Congratulations to Diane Poe on being in Who Who's of FBLA.

Ron Foley brought our message today. He spoke on Philippians 4:4-7. It tells that we should rejoice in the Lord in good times and bad times.

There were 9 at Bible Study and Ron & Annette Harrison had refreshments.

Upcoming: Sun., May 4 - Helping Hands 7:30 p.m.; Mon., May 5 - VBS meeting 7 p.m.

Remember in prayer: Bro. Jackie was in the hospital last week and was missed today. Charles Elrod had 2 heart stents last week. John Henderson has been in hospital for bronchitis & pneumonia. Bobby Shepherd has been in the hospital and is back at Bracken Center. Ed & Iwana Young had to go to ER over the weekend because Iwana had a virus and was dehydrated and Ed fell at home Sun. morning - both returned home. Also keep in prayer Crawford Thornton, Charles Tucker, Pam Bruin, Ashley Garcia, Danny Jefferson, Billy Colemire, Joyce Hester (back problems), Darrin Young, and always each other.

Church News

OAKLAND CHRISTIAN by Barbara Browning

"Is Everybody Happy?" That was our message of the hour. All we have to do to fall under Satan's influence is to begin making our decisions, our direction, our vision and our mission on this question.

Our Seekers Class plus delivered 18 "Love Lunches" to shut-ins this past Sunday. What a blessing to give!

May 4, 6:30 p.m. is a concert by Michael and Timmy Cummins and friends. (This is a new group.) Come enjoy some good music.

Church Board meeting is May 8, 7 p.m.

May 8 is Senior Saints at Camp Northward, 9 a.m.

"I Love Camp Sunday" is May 18 at OCC. Guest speaker is Clyde George, Camp Northward's Coordinator. Bring your sugar that day, as we collect sugar for the camp for the summer season.

May 18 is the Memorial Service for Bro. Eudell Hall, 6:30 p.m.

Our sympathy to loved ones of Bettie Blades, Joe Jacobs, and Ruth Urban. Prayer concerns include Melvin Ramsey, Juanita King, Pam Bruin, Julia Bradford, Howard Earl Sharp, Ann Bowling Wright, Jackie McElfresh, Paul Bex, Kevin Hamilton, Danny Jefferson, Curtis Ramsey, Daryl Roberts, Eddie Gerhard, shut-ins, armed forces, and our leaders.

GREETINGS FROM ST. JAMES by Caroline Jefferson

This Sunday, May 4, six students from St. James, Kenyon Hughes, Ross Lucas, Nicholas Mains, Thomas Rudd, Phenton Ward and Madison Wenz, will receive their First Holy Communion. Please pray for their continued commitment to Christ as they follow Him throughout their lives! On Tuesday, May 6, the Men's Group will hold their monthly meeting at 7 PM in the Parish Hall. All men are invited to participate for spiritual growth and good fellowship.

On Sunday, May 11, we will celebrate Mother's Day with our Annual May Crowning and Procession by all parish children followed by donuts, coffee, milk and juice in the Parish Hall. The following Sunday, May 18, the Women's L.I.F.E. Group will sponsor the Annual Spring Dinner at 1 PM in the Parish Hall.

This past Sunday, celebrated in the Catholic Church as Divine Mercy Sunday, was also special because two popes, Blessed John XXIII and Blessed John Paul II, were canonized saints by Pope Francis! The last written words of Pope John Paul II were part of the Divine Mercy Chaplet and which we should all repeat daily, "Jesus, I trust in You, have mercy on us and on the whole world".

PRESBYTERIAN POTPOURRI by Les Grooms, pastor Augusta Presbyterian

I started my thirteenth year as pastor of the Augusta Presbyterian this past Sunday. I served six months serving as an intern before I came here full time. A lot of things have happened and I am sure that many more good things will happen in the future. Many seeds have been planted and now is the time to water these seeds and eventually harvest the crop.

Joyce Gibson had a surgical procedure done this past week and she is now home recovering.

We did not have our adult Sunday school class this past week but we will continue next week.

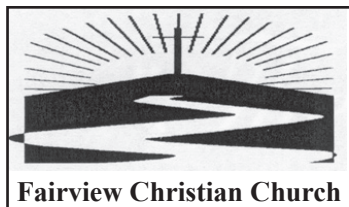

There was a deacon's meeting immediately after church. They were planning the soup suppers and the Bread Basket Meal which will continue on May 14. We suspended the Bread Basket meals during Lent because we were meeting every Wednesday at a different church.

We attended a planning meeting at Ruggles Camp Grounds Sunday afternoon for the upcoming Market Place event. This is a three day event for children between kindergarten and senior high school. The cost of the three day event is \$15 and this includes three meals and a t-shirt.

Our soup suppers will continue on Monday nights for the foreseeable future.

Millie Bush was the worship leader and Susie Hargett led the singing. Susie also sang a rousing rendition of "Are You Washed In The Blood?"

My after Easter sermon this week invoked primarily the account of Thomas who would not believe that Jesus had risen from the dead until he could put his hands in the nail prints on Jesus' hand and put his hand in the wound in his side. This is how he got the name "doubting Thomas."

W.I.N.G.S. Ladies Group will meet at DeSha's, Maysville, for our annual ladies night out Fri., May 2. We will have dinner and a program on "Soul Sisters" to kick off our new Secret Sister Year. After the program we will be having our "BIG REVEAL" for our past year's Secret Sisters program. All current secret sisters are to bring a small gift for their secret sister. We will also be given new secret sisters for those who want to participate.

Living Well Ministries which is our senior's group will meet at the church at 8:15 a.m. on May 8 and will be going to Senior Saints Day at Camp Northward. On May 28 the seniors will be going on a day trip to Shaker Village. Seniors from other churches are invited to join us. Just call the church and let us know so that we have transportation.

We have a new **Free Arthritis Class** which meets on Mondays & Thursdays at 6:30 p.m. that is being taught by Donna Teegarden from the Health Department. Come out and join us as we learn some new moves to help us move better. After the class we also walk to Leslie Sansone's Walking In Place CD. We are beginning with a mile and hope to reach the four mile goal.

Our annual **Mother's Day Dinner** is scheduled for May 10 at 6 p.m. Sign up and bring your Mother and treat her to either a steak or chicken dinner hosted and prepared by the men at Fairview.

Our **Relay for Life Team** has some events scheduled. On May 24 they will have a yard sale at the Watson Building, Brooksville. June 14 they will be having a car wash at Jim's Auto Outlet from 9-12 noon. Come and support the team and help to fight cancer. July 19 they will be having a Golf Scramble at Kenton Station. More details will follow.

Our **Youth** will be bagging groceries at County Market on May 31 to raise money for some of their events.

And we will be gearing up for our annual **Vacation Bible School** June 16-20. "God Is Bigger" is the theme. We will be having a VBS decorating party on Mon., June 16 at 10 a.m.

Join us for Sunday School at 10 a.m. and for Worship at 11 a.m. You can get more details by checking out our website fairviewchristianchurch.cc or you can call the church 606-747-5305. Check out Gary's blog on the website and listen to his sermons online.

Emma Conley named to 2014 All-Resilient Team

Bracken County's Emma Conley has been named to the "tomleachky.com All-Resilient Team", in partnership with Kentucky National Guard Career Opportunities and presented by Star Manufacturing, Keeneland and Stoll, Keenon, Ogden PLLC. The team honors Kentucky high school student-athletes who have overcome adversity in order to participate in their favorite sports. Team members were recognized and presented their awards during the Kentucky High School Athletic Directors Association's annual banquet on Thursday, April 24.

In the summer after her freshman year in 2011, Conley was diagnosed with epilepsy. At first, she wanted to keep it secret but taunts by others unaware of her condition prompted Emma to open up about the disease and she shared her story with the whole school and communi-

ty, in part to inspire a younger brother who also suffers from epilepsy. Emma has been the starting point guard for the Bracken County basketball team and is a top-notch pitcher for the softball team, earning all-region honors in both sports. She hopes to continue her athletic career in college this fall.

Emma is the daughter of Gayle of Erin Conley.

Letters To The Editor

Citizens of Bracken County, On May 20th, please vote Cynthia Thompson for Bracken County Attorney. Given Cynthia's modesty, it is not common knowledge that Cynthia graduated from Princeton, and that she served in a judicial capacity until filing for County Attorney.

As District Court Trial Commissioner for fourteen years, Cynthia sat on the bench covering hearings, set bonds, issued arrest and search warrants, emergency protective and custody orders, among other duties.

Cynthia's years of service to the Court, even without considering her eighteen years of private practice or sixteen years government law practice, make Cynthia the clear choice to serve as Bracken County Attorney.

Sincerely,
Kay Cooper

College Career Week held at Taylor Elementary

College Career week was a huge success at Taylor Elementary. During the course of the week, students were able to learn about various colleges across Kentucky, differences between jobs and careers, work with interactive games for jobs and careers, research colleges and careers, and even test knowledge about various college mascots. The week concluded with a wonderful showing of several community organizations that volunteered their time to explain what they do with their job/career. Students were so excited and learned so much information during this career fair.

Local businesses and individuals participating during Career Day were All-mark Sales, First National Bank, Moore & Parker Funeral Home, Snappy Tomato Pizza, Total Care Pharmacy, St. Elizabeth phlebotomy, Perry Poe Real Estate, Lee's IGA, Bracken County PVA, D&T Body Shop, UK Cooperative Extension and 4H, Primary Plus.

With so many wonderful activities the students could not quit talking about what they want to do when they get older. To reinforce the information during the week, students were asked to participate in a poster (grades K-2nd) or essay (grades 3-5) contest. Several students showed wonderful promise of amazing careers. Pictured are the winners of this contest, congratulations to Maci Conley, above, (poster win-

ner) and Kamryn Tucker, right, (essay winner, essay below).

My Dream Job

By Kamryn Tucker 5th grade student at Taylor Elementary

Have you ever wondered what you want to be when you grow up? I have and I've decided that I want to be a fashion designer. Being a fashion designer would be a good job for me because I always love going through my clothes and putting things together for the next day. I am writing this to give information on my future job and why I'm doing it. Fashion designing is where you make clothing items by using fabrics, designs, sequins, studs, and lace material. Let me further explain why I want to be a fashion designer.

One reason why I want to be a fashion designer is because I'm really good at putting different designs and colors together. Also, since I know how to sew I could

make many things such as tops, skirts, jeans, and dresses.

Another reason why I want to be a fashion designer is because it would be great to have my very own clothing line. I could also do something called upcycling. Upcycling is where you take clothes and make it your own by adding colored threads, studs, lace material, and sequins that YOU like.

I can't wait until I'm able to work with sewing machines, lace, fabrics, studs, and colors. I also hope that I can be a fashion designer to make clothing for others, me, stores, and family.

TRASH TALK

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

606-735-9960

Howdy Folks! Welcome to May, one of the busiest months of the year! Many students are preparing for graduation, from kindergarten through college, farmers are working ground in anticipation of this year's crops, and lots of brides are finalizing plans for their June weddings! Even though it is a busy and exciting time of year, we hope that everyone slows down enough to appreciate the beauty of the season, especially after the harshness of the past winter! Our Spring Road Clean has been completed and already the litterbugs are at work to mar the landscape for everyone calling Bracken County their home! Each non-profit group must send a letter to the editor describing their experience of cleaning up after someone else and if you take the time to read those published in *The Bracken County News*, one understands the nastiness of such a job and how totally unnecessary a job it is! From every one of those who have picked up litter over the past ten years, in unison they would tell you, "Don't Litter!"

We received a call last week from a lady living happily on Locust Creek for the past twenty years. She reminded us that littering occurs on the waterways, as well as the roadways. Recently, someone cut down a tree and instead of using it for firewood, or giving it away, they just pushed it out into the creek. Now this tree is lodged and collecting all the floating debris. Eventually, all this will make its way to the Ohio River and folks involved in the annual Ohio River Sweep will have to retrieve as much of the trash as possible. Whether you use the waterways for fishing, swimming or just to enjoy the beauty of creation, it is wrong to throw trash into any waterway, creek or hollow. Favorite family swimming holes, enjoyed for generations, can suddenly become dangerous because someone chose to throw bottles, cans, and other debris into the water. This trash will follow the flow of the water from hollow to creek to river and finally the ocean – and the trash in our oceans is a whole other sad

and disgusting story!

As many of you know, Bracken County's Tire Amnesty was last year, but some of the counties closer to us will be having amnesties in May and June and any Kentucky resident can participate in any Tire Amnesty. On May 15, 16 and 17 tires can be taken to Campbell County; Kenton County on May 29, 30 and 31; Boone on June 12, 13 and 14; Pendleton County on June 19, 20 and 21 and Grant County on June 26, 27 and 28. If anyone is interested in taking tires to any of these amnesties, let us know and we will get disposal locations for you. Illegally dumped tires present a constant battle and if you see anyone disposing of tires along our roadways or waterways, please give us a call with the license plate number.

Another litter concern for all Bracken County citizens is The Advertiser, a paper distributed by The Ledger Independent to area residents whether they want it or not. It is up to the homeowner to pick up this paper, but many times it becomes another piece of litter along, and on, our highways! These orange wrapped papers are an eyesore! After this week's rain, they are a disgusting mess! Even if you don't want the paper, please pick it up and practice the good habits of RECYCLING, REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seein' you – *Bin & Bug*.

Job Club sessions offered at Kentucky Career Center

In November 2013, the Kentucky Career Center-Maysville partner agencies started a new project for the region called Job Club. The purpose for Job Club was to provide free workshops that would assist job seekers in the varied components of securing employment: networking, resume writing, interviewing skills, presentation skills, and much more. The speakers for Job Club have come not only from partner agencies but also from business and industry. Each speaker offers his or her knowledge and wisdom in a relaxed atmosphere that provides opportunities for participants to ask questions and learn things that they may have never thought of when looking for a job.

Since Nov. 6th, nine sessions of Job Club have been held at the Maysville Community and Technical College, Maysville Campus. Job Club has been able to reach over 100 individuals with the assis-

tance of eight businesses. These businesses have not only offered the speaking services of their staff but have also donated funds for the Job Club to be able to offer a free lunch to each participant. Business sponsors have included Hospice of Hope, Stober Drives, Meadowview Regional Medical Center, Fleming-Mason Energy, U.S. Bank, Maysville Nursing and Rehabilitation Facility, Maysville-Mason County Chamber of Commerce, and Primary Plus.

The next Job Club session will be held May 1, 2014 and will focus on health-care careers. Several health-care employers will be present to talk with prospective employees about work opportunities. The session will start at noon and take place in the Fields Auditorium. Participants are encouraged to bring copies of their resumes. To register for this Job Club session, call Dena Green at 564-6894 Ext. 245.

Letters To The Editor

The group of adults and teens that did the 10 miles of road cleanup for, New Life Fellowship Church, were glad that they could be a part of doing something good for the community that they live in while earning money for their church.

They stated that by doing the road cleanup, it makes them feel that they are doing something good for their community, and being a part of what is going on in the community. They also stated that it makes the environment safer for the children that live in these areas. There are garbage cans located all over town. Please make good use of them!

The road clean up that is offered through the Bracken County Solid Waste Management Program is most definitely a necessity in keeping God's earth clean, green, and beautiful.

We would also like to commend April Silvey, for bringing cold drinks and a snack to workers while they were cleaning up Rt. 10 on Thursday, April 24, 2014.

Sincerely,
Pamela K. Heisel,
Director of Resources

Windmill regulation bill signed into law

Legislation that addresses the siting of windmill projects has been signed into law.

"This is fair to all the stakeholders involved, all the landowners, residents, and utility companies," said House Bill 291 sponsor Rep. Mike Denham, D-Maysville. "I appreciate the cooperation of all parties who worked together to get this legislation passed."

HB 291 addresses local concerns with siting of windmill projects by requiring siting board regulation as well as public meetings at the request of the state Public Service Commission or the county where a utility hopes to locate a wind turbine. Wind power utilities would also have to have a separate public meeting 90 days prior to filing an application to site a windmill under the bill. Other approved changes clarify that setback provisions for generating facilities apply to wind turbines

and apply to solar or wind projects for which site compatibility certificates are applied for after Jan. 1, 2015.

Denham said the legislation is only designed to complement what is done at the local level, adding that local action is still necessary. He filed the legislation in response to a resolution passed by the Mason County Fiscal Court early this year.

HB 291 passed both the House and Senate unanimously by votes of 98-0 and 38-0 respectively. It received final passage in the House by a vote of 90-0.

Sports in Kentucky

by Bob Watkins

Turn the page, but first, a baker's dozen retrospectives

Recalibrate the mind – critical mass free throws become critical finish exacta, furlong times, the jockey and mile-and-a-quarter.

Names on our mind's marquee change too. Julius, Cauley-Stein, Russ and Luke give way to horse owner imaginations – Vicar's In Trouble, Chitu, We Miss Artie and Uncle Sigh.

Most exquisite element in sports that draws us back as calendar rolls over, that changes too. What if and If only.

Question/suspense: "Who's comin' back?" and "What's the recruiting news?" and maybe "What episode of NBA As The World Turns is on this week?"

More May calendar queries: "what ball coach job jumped today?" ... "what player got arrested for DUI after the party?" and "who's Calvin (Borel) ridin' in the seventh on Sat-dee?"

At the track, at the ball park on to hoops series against the Hoosiers, the sporting possibilities here in Kentucky keep us on this side of the highway's yellow line. Sane and buffered from hateful politics, pollen counts, what country USA pledges to protect this week, and of course, Vladimir Putin's latest mischief.

This week, in front of us, the heralded most exciting two minutes in sports. In truth, this hoss race is two minutes bubble-wrapped in layers enough of televised show-off pomp and pretend, dress-up and "bring me another drink, but not that green

thing!" to make one gag.

Derby day has morphed into a week of pageant then Saturday night that begs for a Patti Page epilogue: "is that all there is?"

Today though, let us take pause for a first-week-in-May look back.

This week, a retrospective.

1. Who's coming back to Kentucky's 5-star hotel? Everybody almost. Aaron and Andrew Harrison were last of eight to tweet Big Blue Nation, they will return.

Twins return leaves us to wonder if NBA draft guru Chad Ford made this call: "Both are borderline first round picks right now. If the twins declare this year, they are playing in the D-League."

2. Julius Randle and James Young? Bye. And, for UK's fund for legitimate student-athletes, send money.

3. What could be new at Kentucky: When 40-0 is mentioned, nobody laughs.

4. Ghost of 40-0. With arguably the best assemblage of talent in college hoops ever, the pressure's on. John Calipari may as well have a 40-0 tattoo when hoops magazines arrive in July. With this roster, Calipari has chance to prove he's an extraordinary coach instead of a "gonna make ya rich in seven months" flim-flam man with a good hair cut.

5. Kentucky will be back atop the ratings and cast anew as New York Yankees of college hoops.

6. Best of it: Alex Poythress. Excellent student makes right

decision and considering his play in March, a Sunny-Side future during and beyond the NBA black hole.

7. Football. Spring games are now in the film room. Video to be hashed over, broken down and synthesized with the fine comb scrutiny allotted Donald Sterling cell phone calls.

8. Best of it for Big Blue Nation? UK could be quarter-back-rich. Cream-to-top come autumn – Reese Phillips and Patrick Towles.

9. Best of it II, Mark Stoops said this: "... (last year) we just weren't very good. (This year) we're better. We're still not where we need to be but we're better."

10. Worst of it. Defensive secondary. Was awful a season ago and didn't look appreciably better against Towles, Phillips and Drew Barker. Leaving BBN to wonder, "if ya can't solve QBs you see at practice every day, how're you gonna handle an afternoon in Gainesville or Baton Rouge?"

11. Kentucky spring game analysis from here: With an eye on first half of a 2014 schedule (five of first six at home, and road game at rebuilding instead of reload Florida) huge opportunity.

12. Chance of a football surge at UK hasn't been so reasonable since 1997 when Hal Mumme got hold of Tim Couch's coattails, and media swooned over bandwagoned both.

13. By way of his girlfriend cell phone record button, Donald Sterling crammed both feet and a 747 into his mouth without so much as a press conference last week.

CNN and Don Lemon would have us skip the legal preliminaries, do a poll, then crucify the NBA Los Angeles Clippers owner at halftime of a Lakers game.

Sterling's ugly racist cell phone rant became on Friday. Presto, CNN News and Lemon took a weekend away from Malaysian Flight 370, called in the heavy artillery for a weekend of talking-head righteousness. It amounted to knee jerk overkill, but presumably a boatload of teevee ratings.

WORTH REPEATING DEPARTMENT

ESPN President John Skipper wants the NBA's one-and-done rule abolished.

"I think it's the single worst violation of student-athlete relationships," he told football bowl game officials recently.

"Kids don't go to class the second semester. They come in and play basketball a year and leave. I have no quarrel with kids wanting to go play basketball, [but] I think they should have to stay a couple or three years."

"I don't know anybody who does [like it], There's one small set of people who are against that. Agents, representatives for NBA players."

PARTING SHOT

Television comic Steven Colbert had an idea for one-and-done John Calipari last week. "If you could get them to stay for two years, this might help you. Here's another rhyme: "Two and Toodaloo."
And so it goes.

Introducing our new 5 and 6 grade coach Damion Kindle!!

He was scouted by numerous division 1 schools such as Tennessee, Louisville, Marshall, and U.K. before blowing out his knee his senior year. He played 1 year of college ball at Joliet Junior College in Chicago, Illinois. He has lived in Bracken County for ten years and has coached high school football with Coach Siple here in Bracken County and at Grant County High School. INSPECTION PERIOD
FOR THE PROPERTY TAX
ASSESSMENT ROLL

The Bracken County real property tax roll will be opened for inspection from May 5, 2014 through May 19, 2014. Under the supervision of the property valuation administrator or one of the deputies, any person may inspect the tax roll.

This is the January 1, 2014, assessment on which state, county and school taxes for 2014 will be due about October 1, 2014.

The tax roll is in the office of the property valuation administrator in the county courthouse and may be inspected between the hours 8-4 Monday, Tuesday, Thursday and Friday and 8-12 on Wednesday and Saturday.

Any taxpayer desiring to appeal an assessment on real property made by the PVA must first request a conference with the PVA or a designated deputy. The conference may be held prior to or during the inspection period.

Any taxpayer still aggrieved by an assessment on real property, after the conference with the PVA or designated deputy, may appeal to the county board of assessment appeals.

The taxpayer can appeal his or her assessment by filing in person or sending a letter or other written petition stating the reasons for appeal, identifying the property and stating the taxpayer's opinion of the fair cash value of the property.

The appeal must be filed with the county clerk's office no later than one work day following the conclusion of the inspection period.

Any taxpayer failing to appeal to the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, will not be eligible to appeal directly to the Kentucky Board of Tax Appeals.

Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provisions of KRS 131.110.

The following steps should be taken when a taxpayer does not agree with the assessed value of personal property as determined by the office of property valuation administrator.

1. He or she must list under protest (for certification) what he or she believes to be the fair cash value of his or her property.

2. He or she must file a written protest directly with the Department of Revenue, Office of Property Valuation within 30 days from the date of the notice of assessment.

3. This protest must be in accordance with KRS 131.110.

4. The final decision of the Department of Revenue may be appealed to the Kentucky Board of Tax Appeals.

Drug activity in the county continues to be a major problem and the agency continues to address these issues with the resources that are available to the Sheriff's Office. They have the anonymous tip line for reporting of crime, phone number is 606-735-2578. This anonymous tip line can be used to report any type of crime, but is especially set up for the reporting of drug activity in the county. However, if the crime is currently in progress call 911 so that a dispatcher can send an officer out immediately. The

tip line phone is not manned continuously and may not get answered until the following day or on Monday if left on the weekend.

At this Town Hall meeting two of their guest speakers from SALUTE will be speaking to the citizens about their experiences with drugs and how they devastate the family. One of the speakers is a 24 year old recovering from drug addiction and the other speaker is a mother who lost her daughter and son-in-law to drugs. These two speakers are very passionate about their message and how devastating drugs are to families. Sheriff Nie-meier would recommend that you come out and hear these two speakers talk about their experiences, you will not be disappointed and it will definitely open your eyes to the drug problem.

The Sheriff's Office has initiated the following programs to address the drug problem in the county: SALUTE (Students and LawEn-forcement United Through Education); DEA Drug Take Back Program; Drug Drop Box at Sheriff's Office; Town Hall Meetings; Citizens Police Academy; Press Releases/Alerts; Shout Out Boxes in Schools, enhanced drug investigations and arrests throughout the county.

If you have any questions or need additional information contact the Sheriff's Office at 606-735-3233 or the Sheriff at 859-912-2524.
